

When you log into iSolved on Friday, May 27th, you will notice that it has a new look, with an easier flow and a cleaner, more updated feel. It's now quicker and easier for you to learn, navigate, and get your tasks done!

WHAT DOES IT MEAN FOR YOU AND YOUR EMPLOYEES?

Current settings, information, accessibility or access WILL NOT CHANGE! Functionality flow will remain EXACTLY the same.

The Home/Account/Learning Center/Logout menu will now be on the left side instead of the right. See below for a sample of the new screens. Please share this information with your staff if they are using Employee Self-Service or iSolved Time.
